

## Con Corazón Outreach Report

15<sup>th</sup> December 2023 – Marampaqui

One of the most anticipated customs in our region is the celebration of Christmas. This consists of family gatherings, gifts for the children, hot chocolate and food. The inhabitants of the Maramapaqui area have limited access to gifts and hot chocolate, as they consider it some sort of a luxury.

For this reason and special occasion, the Con Corazón Team decided to give toys to the children and we also prepared hot chocolate for them. These toys were collected from different friends and specially patients from our Cusco Dental Clinic. We are very grateful to everyone who generously supported us, to make the dream of many of the children of Maramapaqui come true. They were really happy about the event.

### Activities

Medicine, we have seen 24 patients.

Dentist, 12 patients

Laboratory, 08 lab tests were done.

Health promotion for all our patients.

## Photo Gallery

Indira leading the preparation of cakes and hot chocolate

Everyone was able to receive the delicacies that Con Corazon Team made for them.
